Chapter 1 - Shadow

1 - Shadow

No matter where you go
No matter what you do
You should always know
Your shadow follows you.

Your shadow is your dark side
The side you keep away
You're forcing it to go and hide,
But it's here to stay.

When your fear is at its peak,
Your shadow seems to know
And when you feel real weak,
Your shadow tends to grow

When you find your fury,
Your shadow will surely shrink.
Your mind will go all blurry
What do you think?

So just remember these things I say
Put them to your heart to keep.
You cannot banish your shadow away
Cause hatred runs too deep.
