Chapter 1 - The man who makes people better

2

1 - The man who makes people better

A traveller.

A man who has seen a whole part of the universe.

Relentless on a voyage

Through time and space.

Bringing the message of love and tolerance

to every planet

to every race.

A man who never gives up

the hope.

A man who would give his own life

to save the good.

No matter what kind of race.

Ten incarnations,

eleven soon.

Every incarnation has it's own character

but every single incarnation is exemplary and loveable.

They call him "The Doctor".

A Timelord.

Or is he...an angel?

I don't know.

But he's the man who makes people better.

And he's a wonderful character.

Intelligent and gentle.

A true galactic hero

with two hearts.
