Just my response to

Write a letter to me. Tell me about yourself. Your hobbies, your family, anything you want!

1 - This is the only chapter, silly!

Dear Momo (note: not real name);

Greetings and salutations! My name is Meemoe (not real name) and I am in your blah blah period class. You requested that each student write a letter to you describing ourselves (I apologize, but I will not go into every excruciating little nuance). So, shall we begin?

I live with my Henro and my Grumpy (not real names you Fool! eheheheee! Just kidding...about the fool part) I have two animal companions. One, a pekingese (I must admit the cutest dog in the world) the other a teddy bear hamster.

It is assumed that since you asked us to tell you about ourselves, I should include the trivial things I do for entertainment purposes. I enjoy cartooning, tennis, reading, playing videogames, rollerblading, and dancing like a raving lunatic.

I do not often talk in class seeing as doing so draws negative and otherwise unwanted attention to oneself. However, being a female, at times when it is (or seems) appropriate I enjoy partaking in idle prater

Seeing as there isn't much left about me to know, I shall take my leave of you and let you go on your merry way

Sincerely,
Meemoegirl
