A short little poem about Bob's love for Dot. I did it for a fan fic contest that AvA was hosting on Mayhem's Boards. Enjoy!

Disclaimer & Author's Notes: I don't own ReBoot. It belongs Mainframe Ent. This poem started out as a song at first but I now forget the tune that I used to create it with so now it's just a plain poem. It was an entry I sent in for a fan fic contest that AvA was hosting on a message board. It's something I whipped up in about half an hour and takes after season 4. Enjoy!

The one I love
Her name is Dot
And the one who loves her
Is me, Bob
She is my sunshine
My blossoming
flower
Shining like an angel
So I'm here to woo her
Will I gain her love?
I have yet to see
Spring hangs in
the air
Over the Data C
And let all of Mainframe
Know my feelings for her
Maybe this will make
Her love me
all the more
And hopefully she'll
Finally stop pushing me away
And finally forgive herself
For all her display
of dismay
