1 - Untitled

I'll reset everything
I've hurt everyone because of who I am
Those who don't deserve to be hurt by me so
Wish to be erased from this world
So that the pain will disappear
I'll reset everything

I can only be happy if you are calm and content
Me and the other me have decided
That neither of us will hurt you anymore
By what we are
Memories aren't only of the past, are they?
They can be of right now or even tomorrow.
I'll reset everything.

You will not remember me or the other me
But you will be happy
I am all alone, sad and confused
I am no longer needed in either worlds
But, yet I am happy and smiling
Because you are happy
I'll reset everything
