*Okay...so I admit that I am a bit of a Midvalley and Dominique lover. This is a poem written from Mid's point of view*

**Chapter 1 - A Kindred Spirit: Oh Dominique.**

**2**

## 1 - A Kindred Spirit: Oh Dominique.

You've been there the whole time,  
Watching me and smiling down,  
While I destroy this lonely town;  
And I see you upon the turn of a dime.  
Lovely and fair I see you now and sing a rhyme,  
And wonder how I could have been such a clown;  
It's my fault, I think, that from heaven you look down.  
And so I wonder if it will ever be my time.  
Oh Dominique! To love you for eternity,  
For I am your Hornfreak and my notes do play for you.  
Oh Dominique! To think it is destiny,  
For I am your Hornfreak and my heart will be true.  
Oh Dominique! I cannot erase you from my memory,  
For I will be your Hornfreak through all I go through.
