*This song is about Wednesday mornings when my religion teacher makes us go to adoration which is like a time where you go into a church and pray and stuff. Yeah, i wrote this song during that time and about how you can't leave the church unless there*

# 1 - Wednesday Adoration

## Wednesday Adoration

Late Wednesday morning

School and adoration

I'm only halfway there

Not quite time for a rotation

I think and think of what to say\*\*

But no thoughts come in my head.

Try to sit still upon this hill

Remember what I've said.

Almost left the last prayer

But I find I'm still stuck there

Until someone can fish me out

Cup of tea and mystery lady

Standing by the door.

Waiting for a sign to come in.

I stand up...she comes in

Now I can finally leave

I walk out...she walks in

I can hardly believe that I'm gone

Catch up to the ones long gone

On the stairs singing a song

Playing it by ear, no time to shed a tear

Time to end my journey here...
