**Chapter 1 - The final encounter**

**2**

## 1 - The final encounter

He was a deadly killing machine  
He sent a glance your way, you had to scream  
He walked to you and you did he  
He was smiling, it was easy to see  
He had you in a corner and so you prayed  
He simply laughed, he raised his blade  
You looked to him and turned away  
But he caught you with his gaze  
Your old gun put a hole in his side  
His scream of pain, a chance to hide!  
You aim your gun for a second shot  
He kicked you down, oh how he fought!  
A wave of coldness washed over you  
A hurried shot, he felt it too.  
You lay there, struggling to breathe  
Your eyes were heavy, it was hard to see  
You took a breath, became completely still  
He stood, laughed and looked to you  
And muttered softly, "You stupid fool."  
As he walked down that lonely hill,  
He knew he had another kill.
