This poem was inspired by none other than S.O.A.D.

Have you heard about the genocide that took place before the Jews?? Well this one is for them.

Rock on S.O.A.D.

Unjustified

We must save the dead

Six soldiers killed

No people were billed

Life without justice

Blinded by the government

Following what was true

Few were saved

Husband, Wife, Child slained

Government refuses to pay the bill

No justice without acceptance

Disarmed unable to put up a fight

Thousands killed

Believing the Government

Deceived by all

No one wishes to fall

The world noticed after thousands died

Eyes covered

Hands tied

Mouth gagged

Unable to fight

Thousands were shot on sight

Millions died without reason

Still the Government believes it was treason

Believing poison was in the bread

No justice was ever served to the dead

Poison is what started this

Poison is what courses through the government

Fight for justice

Shout for recognition

All will be served

In the fallen system
