*A poem I wrote about Al from Fullmetal Alchemist. All flammers will be fed to my secretary, Gluttony. I guess it's kinda sad.*

# 1 - The Nothing I've Become

Warnin'- I don't own Fullmetal Alchemist, FMA, Hagane no Renkinjutsushi, or Hagaren. I own InuYasha! What?! I don't own InuYasha either? Azumanga Daioh? No? You say that Fullmetal Alchemist belongs to Hiromu Arakawa, Inuyasha belongs to Rumiko Takahashi, and Azumanga Daioh belongs to Kiyohiko Azuma?! Feh. They'll never believe you!!

What did we do on that one night  
You said it would be fine  
I wish I could fix our mistakes  
And altar the lost time.

How could we try to find anything  
That was worth her soul?  
We trespassed in the realm of gods  
How didn't we know?

When you brought me back from death  
And put my spirit in this cold shell  
I don't think that you realized  
I was in a living hell.

All those times you tried to save me  
I wish that you could understand  
I'm not worth all of your pain  
So don't pretend I am.

Never then had I thought  
Of the future to come.  
What if you had lost your life?  
What if you were gone?

Never have I blamed you  
For this unending fight  
But we must undo our mistakes  
And make everything right.

*Break my blood,  
Take my life,  
Save me from myself.*

*Return me my humanity*

*And rise that I once fell.*

**(Woo! And there be my first poetry fanfic. Hey! This was kinda fun! I think I should do this with more main FMA characters...well, please review. Also, I own everything about this poem. The lines, verses, phrases, the works. DON'T COPY MY WORK!!! However, the title is lyrics to an Evenescence song so, yeah...)**
