Chapter 1 - Not The Same

1 - Not The Same

Not The Same

Flipping through my phone at the pictures we made
A small smile comes across my face
Then it slowly fades away
I cant help but think about that day
...when it all changed
There was a feeling in my gut that everything would fade
I didn't realize it till it was too late

I love you with everything I have
And I try with even more
You made me feel something I never have before
You make my heart jump
And my knees weak
You're the one I always seek

I can see the light from your eyes going away
And I cant make it stay
I remember you as you once were never do me wrong
And now it feels like its all gone

I crave to feel the touch of the one I once knew
Now he is gone replaced by someone new
He has the same body and the same face
But his sprit is different his other erased

He is a stranger to me
Someone I don't know
But still I wont let him go
I miss him like crazy he'll never know

No matter how long it takes
Ill stay by his side
Ill wait for the day

Till he is again mine
