Insomniac's Dream

I lay awake

in the darkest hour of night

Wide awake,

nothing to do.

All my homework is done,

All my books I already read twice

So I did the only thing I could.

I dreamed.

I dreamed of tomorrow

and the things I will do.

I dreamed of yesterday

and what I could have done.

I dreamed of life

and what it means.

So now you know

what insomniac's do

when they are wide awake and have

nothing to do.

They do the only thing they can.

They dream.
