<b>Chapter 3 - Two New Friends</b>	<b>8</b>

# 1 - A Gift

## Chapter 1 A Gift

It was a warm, sunny day. Tohru was making lunch for everyone in the kitchen. Yuki was watching tv in the dining room, Kyo was on the roof, like always, and Shigure was in his office writing. Which was also his bedroom. It was quite, until... "Lunch is ready!" Tohru yelled, not too loud. "Oh, that's great. I was just getting hungry" Yuki says in his soft, sweet voice. Tohru places the dishes down on the table. Shigure just came out of his room when he heard her. "Lunch!?! That's great. So, what did you make for us today Tohru?" Shigure asks as he sits down next to Yuki. "Oh, I made everyone their favorite dishes with rice. See Yuki has steamed leek. I don't really know what you like Shigure so I made you some beef stew with carrots and potatoes in it." "Oh that's wonderful. Thank you Tohru." "Yes, thank you miss Honda." Tohru smiled at her praises. "Oh, were you Kyo? she asked. "You should know by now Tohru. He's on the roof." "Oh that's right. Thank you Shigure" she said then ran off outside. She went to the side of the house to the ladder. She climbed it until she reached the top. And there lying on his back looking at the sky was Kyo. "Hey Kyo lunch is ready." Kyo jumped with fear. "Ahhhhhhh! When did you get there!?" he yelled. "I just got here. I came to tell you lunch is ready. I made your favorite." Tohru said all happy. "I'll be down in a second" he said coming down. "Alright" she answered then went down the ladder. When she was gone Kyo looked back up at the sky. He began to think to himself. 'I guess today should be the day. Oh, but what if I mess it up? What if she doesn't like it?' Then a voice pulls Kyo out of his thoughts. "Kyo!! You going to let your food get cold?!" It was Tohru. Kyo smiled for some reason then started down the ladder. He opened the door to enter the dining room. "Hey Kyo. You going to eat?" Tohru asked all happy. Kyo turned his head to the side and started to blush. "Umm, Tohru? Can you come with me for a moment?" Kyo asked as he walked to the stairs. Tohru looked at Shigure and Yuki. They looked back at her. All were curious and confused. "Well you coming or not?" Kyo yelled from the bottom of the stairs. "Coming" Tohru said and followed him up stairs. Yuki and Shigure looked at each other puzzled and confused, but most of all curious. Tohru followed Kyo to his room. They entered it and stopped walking in the middle of the room. Tohru looked confused. She didn't know why he wanted to see her. Then she started to think 'Huh, what if I did something and he's going to punish me'. "I'm sorry Kyo. For whatever I did. I'm sorry." She said bowing her head to show her apology. "Huh? N-no. You didn't do anything wrong." Kyo says softly. Tohru lifts her head back up and had her confused look back on her face. "Then what did you want to see me for?" she asks. Kyo covered his eyes with his bangs, clenches his fist tight and prepares to speak. "Do you...still like me? The cat I mean?" Tohru still was confused but answered "Of course I like you Kyo. Whether your human or cat." "Do you still wish you were born in the year of the cat? Do you still like cats?" Kyo asked sounding a little scared of what she might say. It was silent for a moment, then Tohru broke the silents. "Yes Kyo. I still do." At her answer he flinched slightly and un-clenched his fist. "Then you wouldn't mind if I..." He walked over to the side of his book case and picked up a little box with little holes in it. "...Gave this to you?" He says as he holds out the box with his head turned to the side as he blushed. Tohru looked at the little box then took it from his hands. "Don't shake it." he said. It was wrapped in a pink ribbon. Tohru untied the ribbon and opened the box and was surprised at what was in it. "I thought since you like cats, you'd like to have one." Kyo says. His face still turned away and was still blushing. But this time he began to blush severely. Tohru put her right hand inside the box and picked up Kyo's gift. It was an orange kitten that looked just like Kyo only a

baby. And its eyes looked like Kyo's too. "Kyo...it's adorable. Thank you." she said as she held the kitten up to her left shoulder, dropped the box on the floor, supported the kitten with her left hand and began to pet it. The kitten began to purr. "It's a girl!" Kyo said. "She's so cute Kyo, just like you. Thank you." Kyo flinched with surprise. 'She said, I'm cute' he begins to think. "Kyo are you alright?" Tohru asks bracing Kyo out of his thought once again. "Yeah, I'm fine." "Good, now let's go eat. I also want to show Yuki and Shigure the kitten." she says as she leaves the room. Kyo still stood there surprised. He then broke out of his thought and followed Tohru down the stairs. She opened the door to the dining room and said "Look you guys. Look what Kyo gave me." Yuki and Shigure turn their heads and were surprised. "Isn't it cute?" She said holding out the kitten. "It's adorable Tohru." Shigure says. Yuki just looks at it with surprise. "Yuki are you alright?" Tohru asks. Yuki braces out of his trance. "Yeah I'm fine. So...Kyo gave that to you?" "Uh huh." she answers. Yuki had a happy yet sad look on his face. Just then Kyo came from around the corner. All eyes were fixed on him. "Thank you once again Kyo. I love it." Tohru says with joy and a smile. Kyo's head was turned sideways towards the floor. He seemed to be embarrassed. "Well why don't we eat now." Tohru says as she sits down across the table from Yuki and Shigure. Kyo comes over and sits down next to her. He turns to face his food and his face changes to happiness. His favorite dish was in front of him. Salmon with a bowl of rice to the side. "Oh, I almost forgot. Kyo can you hold Tenshi (Angel) for a moment for me?" "Tenshi?" Kyo asked. "That's her name. I'll be right back." "Alright" he said grabbing the kitten from Tohru. When she saw he had her Tohru went to the kitchen. Kyo held the kitten in his arms. "So why'd you buy her a cat?" Yuki asked suspiciously. "Because she likes cats. That's all." Kyo answered in a calm and sweet way. Yuki was surprised. Kyo had answered his question when usually he'd tell him to mind his own business. And he was nice about it. Shigure was surprised as well. "Kyo, are you feeling ok?" Shigure asks. "Yeah I'm fine" Kyo says as he scratches the kitten's right cheek. The baby cat begins to purr. Tohru then opens the door. "Here you go." She enters the room and puts a tray down in the middle of the table. "Sorry everyone. I forgot the tea. Now we can eat." Tohru pours everyone's tea and handed them out. Tohru then took the kitten back and places it on her lap. The kitten curls up and starts falling asleep purring. Tohru petted her new friend a few more times then begins to eat. She is soon followed by Kyo, then Yuki, then Shigure. And like always on a nice day they leave the door from the dining room to outside open. But as they were eating they were unaware that they were being watched. A pair of lime green eyes watched their every movement from the bushes of the woods. And the eyes neither blinked nor moved. They watched them, carefully. No one knew until Yuki had this dying feeling that they were being watched. He turned and looked towards the woods and saw the eyes. In fear Yuki gasped and froze but he felt an urge. An urge to protect Tohru. He felt that this thing was a threat. He stood up and ran towards the bushes ready to fight. He punched the bush, but what was in there had already escaped. Everyone was standing with puzzled, curious, and shocked expressions on their faces. "What are you doing?" Kyo asked. "You didn't see it" Yuki says with fear in his voice. "See what?" Tohru asks. "That thing that was staring at us. You didn't see its eyes watching you." Yuki says again. "Yuki, we didn't see anything" Shigure tells him. "Yuki I'm sure it was just a..." Tohru didn't finish because something caught the corner of her eye. She turned and in that distance she saw a creature. It was dark and it was covered in shadows but she knew what it was. "Look!" Tohru yells pointing to where the creature was. Everyone turned and saw it. The creature saw everyone looking at it so it turned and ran. Yuki ran after it. Kyo followed. "Be careful. I think it's some sort of big cat!" Tohru yells. "Big cat?" questioned Shigure. "Yeah. You couldn't tell?" "Tohru, how could you tell from that distance?" Shigure asked very curiously. "I don't know. Something just told me it was a cat. And something's telling me we were going to see a lot more of them soon." Tohru says with fear. "Tohru? How would you know that?" "I don't really know Shigure. I guess you could call it women's intuition. When a person has someone they want to protect, I guess they develop sharper or extra senses." "I see. Well now all we can do is wait" were Shigure's last words. Yuki and Kyo were following what appeared to be a big cat. They were far

behind but still could slightly see it. Then the creature vanished up ahead. Yuki and Kyo finally reached the end of the trail the creature had been prowling on. When they exited the woods they came upon a lake. Yuki and Kyo looked confused and shocked. "I didn't know there was a lake here." Yuki says. "Neither did I but let's focus on finding that cat." Kyo says starting to get angry. "Well maybe if you calm down and focus you will find it." Yuki says, he too starting to get angry. Then again when did the cat and the rat ever get along. "What's that supposed to mean you damn rat." "I think you know what I mean you stupid cat" They were just about to begin fist fighting when Kyo spotted it. The cat was on a cliff above the water. "Look!!" he yelled pointing to the creature. They could see it now. It did look like a cat. It had golden yellow fur with black stripes all over its' body, black claws, and two enormous fangs hanging on the sides of its' mouth. The cat faced them. They looked at it back. Then the cat jumped off the cliff and into the water. Yuki and Kyo gasped in shock. They didn't know what was going on. They waited five minutes but still nothing happened. Then they saw something appear from behind the cliff. Something was floating. Lucky for them it was near shore. Yuki and Kyo both rushed into the water and grabbed the figure. Then they knew it was a girl, naked. Yuki quickly unbuttoned his shirt and raped it around the top half of her. Kyo took off his shirt and raped her bottom half. Both did this without looking of course. They dragged her ashore. Yuki put his head near her chest to listen to her heart beat. He could hear it. He pulled back. "She's alive" he says relieved. Kyo looked at it too. "But how did she get into the lake. And with no clothes on either." Yuki asks. "I don't know, but something doesn't seem right here." Kyo says sounding worried. "Let's get her to the house." Yuki suggests. "Right." Kyo agrees. Just then Kyo sees something sticking out of a bush. He hurried over to it, bent down and looked at it. "Huh!?! These are clothes!" "Must be hers. Come on, grab them and let's get going" says Yuki. Kyo listens. He grabs the clothes and went to help Yuki carry the woman back to their home. They enter the woods and start down the path towards the house. But little do they know they were about to unfold a shocking discovery. So shocking that Tohru and the Sohma family's life, curses, and themselves will be changed, forever .....

## 2 - A New Friend

### Chapter 2 A New Friend

Kyo and Yuki were carrying the girl through the wood. Kyo was leading the way. He was carrying her legs and Yuki was carrying her arms. Which left the rest of her body dangling in the middle to the ground. Which would be very uncomfortable if she was awake. But it was the way they could carry her without the fear of them accidentally hugging and their secret being revealed.

"I wonder if Kyo and Yuki are alright?" "Don't worry Tohru, I should be fine." Shigure says to try and cheer her up. But it wasn't Yuki she was worried about the most. It was Kyo. She held the kitten he gave her close to her chest. Shigure knew and couldn't help but smile. Just then they both saw something coming out of the woods. When the object was in view they saw it was Yuki and Kyo. "Yuki! Kyo!" Tohru yelled running towards them keeping the kitten close to her. "Tohru?" "Miss Honda?" they both answered. "Are you both ok? What happened?" Tohru asks. "Well...." Yuki begins. Then Tohru looked and saw what they were carrying. "First let's get her inside, then we'll explain everything that happened." Kyo says. So Yuki and Kyo hurried inside. "Miss Honda? Is it alright if you use your bed?" "Should Yuki." Kyo and Yuki hurry up the stairs and place the woman on Tohru's bed. They both gave her a few looks then Kyo left. Before Yuki left he covered her up with the blanket, gave her one last look then left himself.

"So, that's what happened?" Shigure asked. "Yeah. We just found her floating in the water a few minutes after that cat jumped in." Yuki says. "But what strikes me as odd is that we found her right near where that cat jumped. And to top it off, SHE WAS NAKED!!! Kyo yelled "So that's why you and Yuki don't have your shirts on. I thought it was something else" Shigure says suspiciously in a perverted way. "You sick bastard." An angry Kyo and Yuki replies. Both Yuki and Kyo gave him looks that said you are about to die. "Well anyway, we should decide what we're going to do about her when she wakes up. I mean are we going to let her stay for a few days or are we going to tell her to leave right away." Shigure says to try and get Yuki and Kyo off his back. Everyone lowers their head and begins to think. "Well I say we should let her stay." "Huh?!" Everyone says looking up at Tohru. "But Miss Honda.....?" "At least let her stay a few days to recover." The boys start to look a little worried. "But, Miss Honda....what if she finds out our secret? You know what will happen then." Yuki says sadly. Tohru looks down at her kitten with sad eyes. "I know. But we can't just throw her out. Just a few days, then she can leave. And I'll keep my eyes on her. Please?" Shigure's face softens. "Alright. But just a few days." "Thank you Shigure." Tohru says. "Kyo? Can you please look after Tenshi. I'm going to go check on our guest." "Alright Tohru" Kyo says as he takes the kitten. She then heads up stairs to check on the woman. "Are you should that wise Shigure?" Yuki asks. "We've known Tohru for while now. And how many times has she really asked for something?" "Well, never really." "So tell me Yuki? Do you think this will make her happy?" Shigure asks. "I guess." Yuki answers. "Besides, it's only for a couple of days. I'm sure we can handle that for Tohru." Kyo says entering the conversation but still looking down at the kitten, petting it with his right hand. The other two boys agree. 'But I just hope nothing bad happens' Kyo thinks to himself.

Tohru enters her room to where the girl is. Tohru looks on her bed but doesn't see her. "Oh no, where is she?" Tohru says in panic. She looks around but she's not in the room. Tohru then enters Kyo's room and there on the porch stood a girl. "Umm... Excuse me...." "Tohru, is it not?" The woman asks in a young beautiful voice cutting off Tohru. "Um, yes that's me." Tohru answers. "What a lovely

name." Tohru looked confused, but was glad the woman was alright. "Tohru?" At her name Tohru's head jumped up. "Yes?" she asked. "Do you know where my clothes are?" "Yes there in my room. I'll go get them." Tohru says then ran off to her room. She entered back in the room with the girl's cloths. "Here you go" Tohru says handing the woman her stuff. The woman turned around and grabbed her cloths. "Thank you Tohru. Now may I use your room to change?" "Shour" she said. "Thank you" the woman said as she went into the room. It was two minutes later then she came out. Tohru watched the lady with surprised eyes. "Your beautiful." Tohru said. "Thank you Tohru." The woman had on a light blue kemono with black strips and a paw print in the middle for the top half, her bottom half was the color orchid with black paw prints all over it, she had on white socks and had on sandals which were golden yellow, her nails were black, her hair was also golden yellow with black streams of hair falling down the sides of her face, she also had a black paw print in the middle of her forehead, and her eyes were lime green. Just then the woman's stomach started to grumble. Both girls look surprised. "Looks like your hungry. I'll go make you something." Tohru says smiling. Tohru turns to leave but stops in doorway. "Oh, I almost forgot. What's your name?" Tohru asked the woman. "Sukuro. Akana Sukuro." she answered with a smile. Tohru looked very surprised, but then shook it off. "Come on down when your ready." Tohru said then left. The woman just smiled then started walking to the stairs.

Tohru opened the door to the dining room. Everyone's eyes were on her. "So what happen Tohru? You were up there pretty long." Shigure says. Tohru looked at him and smiled. "She's awake. So I'm going to make her some lunch. She'll be down in a second. But she has a weird name. I don't think it's out language." Tohru said then went into the kitchen. Everyone else looks at each other with surprise. "Well...lets prepare our selves." Shigure said. Kyo and Yuki just gave him a look. Then they heard someone coming down the stairs. Akana turned the corner and saw the boys. They all gasped at her in shock. They didn't expect her to be so beautiful. "My my, what a pretty girl. And what would your name be miss?" Shigure asked. The woman smiled. "Sukuro. Akana Sukuro" she said. The boys really were surprised. Akana smiled. "Yes my name is strange. But that's because I'm not from around here." Tohru then came out from the kitchen carrying a tray. "Here you go Akana. I hope you like stew." "Is there meat in it." Akana asked. "Yes. It's beef stew" Tohru answered. "Then I will eat it. I'm more of a carnivore." Akana said. She then sat down at the end of the table right in front of the outside door. Tohru placed Akana's food down then sat back next to Kyo. Tohru too had stew. Tohru then took the kitten back from Kyo and put it back on her lap. Akana poured herself a cup of tea then began to eat. Everyone followed.

When they were done eating Tohru began picking up. Kyo now had the kitten again. "Oh, Tohru, let me help you with that." Akana said helping Tohru pick up. Both girls went into the kitchen. Tohru placed the dishes in the sink and began to wash them. She finished the pile she had and now was on the pile Akana had held. It was silent until Akana broke it. "You must be happy living with them even though you know they're cursed." Tohru froze. She then unfroze and continued doing what she was doing. "What do you mean?" she asked. "You know what I mean Tohru. The Chinese Zodiac. They're cursed with being the animals." "I-I-I don't know what your talking about. But I doubt being cursed with being an animal would be bad. In fact, that would be pretty cool" Tohru says happily with a smile. Akana covered her eyes with her bangs and turned around. "They're cured it nothing, compared to mine." Akana says then starts walking back into the dining room. Tohru turns around with incredible speed. A really shocked and super surprised expression was on her face. As soon as Akana left Tohru started to speak to herself. "Did she just say she was cured?" Tohru says softly.

Akana enters the room still her bangs covered her eyes. "Miss Sukuro are you alright?" "Huh?" Akana says as she lifts her head and reveals her eyes. "Oh, yes. I'm fine." "Well in that case let me introduce myself. I'm Shi...." "I already know who you are. Shigure, right?" Akana says cutting off Shigure. "HUH!!!" Everyone answers in surprise. "You too Kyo, and Yuki. I already know you all." "Just how the hell do you know our names?" Kyo yells. "Let's just say I've been around." Akana answers slyly.

Tohur then entered the room. "Well since your feeling better, why don't you stay with us for a while? You know. Just to rest up a bit. Unless you have to get back home soon." Shigure says. "Acshoily, I don't have a home really." Everyone gasped, especially Tohru who knew how it felt not to have a home. "Then where have you been living?" Yuki asked. "Oh...around" she said. "Let me guess, in a tent?" Shigure asked. "No. I didn't live like Tohru did." "Huh! How did you..." Tohur began but was cut off by Akana. "If you really want to know.... I've been living in a cave by the lake where you got me." Everyone gasped again. "How did you eat?" Shigure asked. "How easy. I hunted." Everyone grew more shocked and surprised. "Me and some of my family have been fine there." HUH!!!" Everyone gasped louder. "You mean you and some of your family have been living in a cave?!" Shigure yelled. "Yeah. It been fine." "For how long?" Yuki asked. "Umm... Lets see now. I think its been about a year and a half." "WHAT?!!!" Everyone yelled. "Shigure now she and her family have to live with us! You can't just let them go on with living in a cave!" yells Tohur. "Yes I agree." Yuki says. "Me too. I mean it was you Shigure how said there are dangers out there in the woods." said Kyo. "Yes I suppose your right. Akana? How many of your family members live with you?" "Oh its ok Shigure. Its quite peaceful and comfortable in the cave." Everyone looks worried. "And besides I don't think you'd want six girls in your house all at the same time." Shigure cheers up immediately. "Oh yes its fine. Bring them. Bring them." "Are you sure thats alright with you all. I mean I know your trying to do good but... There quite a wild bunch." "Its fine really." Shigure says all happy and excited. "Kyo, Yuki, Tohur? Is that all right with you all too." "Shour" Kyo says with in an annoyed way. "Of course it would be alright Miss Sukuro." "Thank Yuki. And please, call me Akana?" "Alright Miss...umm...Akana." Akana smiled and laughed slightly. "Tohur? How did you buy her?" Akana asked. "That'd be great. I'm sure it would be better for you all to." Akana tilted her head to the left, closed her eyes, smiled, and laughed. "Well, I think I'll go get them." Akana said. "Alright. I'll come too." Tohru said. "Miss Honda may I accompany you?" "Shour Yuki. Kyo you coming?" "Shour." Kyo said. "I'll stay here." Shigure announced. "Great. Then lets go." Akana tells everyone. Everyone except Shigure gets up and follows Akana out to door. Kyo on the other hand walks over to Shigure and says "Here. Take care of her while were gone." Kyo says handing Shigure Tenshi. "Alright. I promise Kyo" Shigure says as Kyo leaves to follow everyone. They enter the path through the woods. And it was starting to get dark.

They come to the exit and Akana starts to run up ahead. "Wate Akana!" Tohru yells and runs after her. Yuki follows Tohur and Kyo follows Yuki. Akana keeps running until she came to the bottom of a cliff. She looked behind her and saw everyone chasing her. But she got so excited about something that she ignored them and started running up the cliff on all fours. Tohur, Yuki, and Kyo watched in amazement. They thought the way she was running was cool yet strange. She looked like a cat running like that. "Akana!" Tohru yelled then ran up the cliff after her. This time Kyo ran after Tohur and Yuki followed Kyo. Akana stopped at the edge of the cliff and crouched down. "Akana why did you run off like that?" Tohur asked stopping next to her panting. Kyo and Yuki came up behind them. "I'm sorry. But I had to see this. I watch it every sunset and night" she says looking up at the sky. Excitement and happiness on her face. Everyone looked up at the sky too. "So what? Its just a sky and sunset." Kyo says with an attitude. "Just watch you stupid, ordinary, house cat." Akana says with an attitude. "Wha???" Everyone says in shock. "LOOK!!!" Akana yells looking at the sky. Everyone looks up and saw what she saw. And they were utterly shocked and amazed .....

## 3 - Two New Friends

### Chapter 3 Two New Friends

Everyone looked up at the sky and were utterly shocked and amazed. "Whoow. Is that what I think it is?" Kyo asks in shock. "It is. The aurora borealis." Akana says. "But how Akana? I thought they were only in the north and south." "I don't know Tohru. But when we arrived here, they started appearing night after night, and the show has not ended. And for some reason they only show here in these areas. For some reason you can't see it anywhere else. For example, let's say if you were at your house, and you looked this way from your roof top. You wouldn't be able to see it. For if you did look this way you would only see a normal sky. And the aurora borealis would be happening, but you wouldn't be able to see it. "Why's that?" Kyo asked. "Even I don't know that." They all watched the light show for a while, then Akana looked down the right side of the cliff. "Akana? Is something wrong?" Tohru asked. "This was." Akana said then jumped off the side of the cliff. "Oh no" Yuki said. "Akana!!" Tohru yelled. "What are you doing" yelled Kyo. They watched as their new friend plummeted to the ground. But then, she landed on her hands and feet. On all fours, just like a cat. "How the hell.... How did she do that?" Yuki says cutting off Kyo. "I don't know but let's get down there and see if she's all right!" Tohru yelled running down the cliff. And of course Yuki and Kyo were right behind. They came to the bottom and Tohru swerved to the left quickening her speed. She kept going until she saw a cave. She stopped running right in front of it. She started panting heavily, sweat was streaming from her face. Yuki and Kyo caught up. They too exhaled. Tohru examined the cave. "Akana! You in there!" she yelled into the cave. "Akana...." "All right all ready! We heard you the first time! Geez! You know it echoes in here!" a young woman's voice yelled. And out of the darkness came a woman. She stopped and stood before them with an angry look. She had golden yellow eyes and wore a light green T-shirt that said in the middle of it "Cats rule" in magenta and had a orchid colored paw print underneath the letters. She wore blue jeans, and had on white socks, but what was really weird about her was that her hair was orange with black stripes going down it. Her nails were green and last was a black paw print on the right side of her cheek. The women looked at them with shock. "HUH!? HUMANS!? Akana what are humans doing here!?" yelled the woman turning her head back towards the darkness of the cave. "Pip down Trona. These are our guests." Akana says happily appearing out of the darkness and into the light. Or at least sunseting light. "Huh?! But there humans! Why'd you bring them here!?" The woman yelled again. "Would you stop yelling!?" Geez!" Akana yelled back. "If you look closely you'll see how they are." The woman turned her head back towards Tohru, Yuki, and Kyo. "I don't recognize them. Go away you humans! And don't return! You don't belong here!" Akana on faces the woman with anger. "Trona! How dare you be rude! These people are Tohru Honda and Kyo and Yuki Sohma!" Akana yelled with rage. "Huh? Are you serious?" the woman says in shock and surprise. She faced Tohru, Yuki, and Kyo, had on a sorry and sad look and bowed. "I'm terrible so sorry. Please forgive my rudeness. I had no idea who you were." Kyo, Yuki, and Tohru just looked very surprised and shocked. They didn't know what just happened. The woman picked up her head. "Please forgive her. Like I told you before, my family is a wild bunch." Akana said smirking and laughing slightly. "Anyway, you've already met Trona Sukuro. She can lose her temper a little too easily." "Like someone else we know." Yuki says looking over towards Kyo. "What the hell's that supposed to mean!?" "See your losing it right now." "Rrr. Damn you...." "Both of you knock it off!" Akana yelled to both Yuki and Kyo. "What's all the commotion out here for!?" another young voice said coming from the inside of the cave.

Then seconds later two young women came rushing out. One was dressed in an orchid colored T-shirt and violet colored shorts, white socks, her eyes were a sandy golden yellow colored, her hair was a sandy color, turquoise colored nails, and she too had a black paw print. It is on her right leg. The second woman was a yellow shirt with a white skirt, her feet were bare, her toe and finger nails were orange, she also had a black paw print, but it was on her left ankle, her eyes were red, but the weirdest thing was that her hair was a sandy colored with what appeared to be black leopard spots in it. Both women stood there looking confused. "Hey!? You two will never guess how these people are!" Trona yelled at them with excitement. "Who are these humans? And what are they doing here?" the one in yellow asked in a soft, sweet voice like Yuki. "These people are Tohru Honda and Yuki and Kyo Sohma!" Trona said with excitement. "WHAA!?" the one in purple gasped. "Are you serious?" the soft voice said again. "Yeah!" Trona yelled again. "So Akana, why'd you bring them. And you can't lie to me saying you just brought them here to show them where we lived." Trona says with an attitude. "Hmm, your right. Girls I have wonderful news. We're going to be living with the Tohru and the Sohmans." "HUH!?" Trona gasps. "YEAH!!!!!" the other two cheered. "Hold on! What about Tiryu and Safire. They went out hunting in the mountains not too long ago." Trona said. "Yeah but you know them. They're probably at the edge of the mountain by now." "Yeah, your right Akana." Trona agreed. "Oh, I'm sorry where are my manners. The one in purple is Atona Sukuro and the soft speaker is Arunnu Sukuro, and the two hunting in the mountains are Tiryu Sukuro and Safire Sukuro." Akana said. "Are you all sisters?" Tohru asked. "Oh go heavens no. We're all cousins

.....
