Chapter 1 - Best days of your life

2

1 - Best days of your life

you may not notice
But some of the best days of our lives
Are when we least expect it?
When you are with the love of your life
Just walking around and holding hands
You may never have another perfect day like that
even though you tell your self that this will be your life
Or hanging with your pals
You may never see them again
so pay more attention to your surroundings
And enjoy every moment that you're in
No matter who its with
