1 - Titans Tower/ No moneys

Note: Don't ask me why but for some reason I live with the Titans now. Raven and I are good friends and being this is my world any thing can happen so there :p

One day Beast Boy and I were playing Mario Party 4 (it's the best one).

“Kayla?” Raven asked after watching us play a mini game.

“Yeah?” I responded only half looking away from the screen.

“Wanna go out and get something to eat?” She asked leaning over the couch.

“Sure.” I said putting down my controller.

“Hey! What about me? I thought this was my Kayla time!?” Beast Boy said getting a bit upset.

“Well, not any more.” Raven said grabbing my arm.

“I'll beat you at video games later.” I reassured him.

Later....

Raven and I were walking down the streets of Jump city when we saw Gir and Minimoose.

“Hey guys.” I called out.

“EEEEEEEEEEEELLLLLLLLOOOOOO!” Gir screamed. Minimoose just squeaked.

“We're going out to eat, wanna come?” Raven asked.

“We would but we gots no moneys.” Gir said and held out his hand revealing a button and a paper clip. “This is all we have....”

“Maybe we have enough money for every one.” I said smiling

“I've got..... 1 dollar..... some candy from halloween..... and a picture of Johnny Depp.” Raven said emptying her pockets.

“Let me see that....” I said taking the picture of Johnny Depp and putting it in my pocket. “All I have is 75 cents worth of pennies and this stressed out bee.” I said as the bee flew out of my pocket and opened his eyes widely and stared at every one.

“I don't think thats enough....” Gir frowned.

“We could get jobs.” I suggested.

“Squeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee” Added MiniMoose in protest.

“Let just steal the money.” Gir said.

“Ahem.” Raven said looking down at Gir.

“What if we stole the money from some one evil. We could be like robin hood!” I said clapping my hands in joy.

“I guess that would be O.K.” Raven thought for a moment “But who's evil and rich?”

“Squeee?” Minimoose asked.

“Thats a good Idea. But how can WE break into Donald Trump's house?” I asked.

“I think I have an Idea.” Gir replied.....
