I'm back in the writing game! If some of my other readers from my other stories are reading this then, yes I know I haven't finished some of my other projects, but what can I say? I had a really good idea! No use in wasting it. n.n

<i>`</i><i>Damn him...</i><i>'</i>she thought to herself as she stormed through the hallway. That damn brat never knew when to shut up. She lived in a house hold of four with her older sister, her younger brother and her older brother.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Her sister and younger brother looked much alike with white hair and light colored eyes. They also looked the same age despite the fact one was years older than the other.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She looked different from all of them; she had red eyes and long locks that she kept up in a special hair-do.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Her elder brother was like a foster father, a crappy one. He didn't have the best attitude and their little

brother was starting to turn out the same way. The elder had long dark brown hair let down to wave freely his eyes were dark and he usually held a smirk that tended to disgust his younger sister.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

At the moment, the red eyed girl was storming into her room. Her brat of a younger brother was really getting on her nerves with his cocky attitude, as though he was in charge. "Damn that Hakudoshi...Damn Naraku...Argh! Damn them ALL!!" she flopped down onto her bed and sighed in frustration.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Her older brother was like a dictator, just because their father had left him in charge before he left last year he thought he could do what ever he wanted. He yelled, he threatened, and most of all, he just plain pissed her off! If she or the other's didn't obey him, he'd get mad and smack them around until they did as he wanted. She was getting so sick of it all.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She peeked up through the window and sighed once more. The sky was far too beautiful. She sat up and watched the sky a while longer. She was about to fall into a slumber when a light caught her eye and a star shot through the sky. <i> `Make a wish when ever you see a shooting star, if you believe and if you want it enough, it just may come true.'</i><i> </i>Those words that her mother spoke to her before her passing echoed in her mind as she clasped her hands together and made a wish on the star, a wish she truly hoped would come true.

It had been as any other night...Naraku was being an evil/creepy elder brother, Kanna was being eerily quiet, and Hakudoushi was no where in sight. What no one knew at the time was that little Hakudoushi was trying his hand at magic tricks that would set the house a flame.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Damn brat...” The woman scuffed heatedly as she recalled the night before. Her younger brother had always been cocky, but not even she would have thought that he'd set his stuffed horse, Entei, a flame believing he'd be able to magically make the fire disappear.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

So, the house was burned down, Kanna, Hakudoushi, and Naraku had left to stay with a relative in Kyoto. She however, had refused and was now paying to stay in an apartment; thank the lord for bar jobs and the fake id's that help you get them when you're underage.

She walked silently into her new classroom, having just transferred due to the fact it was closer to her apartment. She sighed low, she hated school and all the things that went along with it, like learning and people...damn the people and their overly friendly/nosiness.

“Class I would like you to give a warm welcome to our new student, Shinseina Kagura-san” The teacher spoke in a cheerful girly voice as she smiled at the raven-haired girl. “Shinseina-san, please tell us a bit about yourself, age, hobbies, maybe about where your last school was?”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Kagura sighed inwardly, how annoying... “I’m six-teen, my hobbies are none of your business, and my last school wasn’t here...” She smirked slightly as her eyes scanned the room, almost daring the other students to make a remark about her response. She could hear the teacher speaking and lazily let her eyes wonder back to the overly cheerful youth.

“Well...Have a seat then and we'll start class.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

The class was far too long for her liking, then again, most things were. She hurriedly got up when the bell rang and headed for the door only to be stopped by a girl with brown eyes and long dark locks that went a little past her shoulders, “Hello, there.” She said nonchalantly, “I'm Higurashi Kagome; it's nice to meet you. Chiryuu-sensei asked me to show you around since our schedules are the same this semester. I hope we can be friends!”

"...great..." Kagura spoke sarcastically, just what she needed, a `friend'. She huffed as she followed the Higurashi girl to their next class, hopefully it would be better than the first, but hey, anything's better than staying with her family, she'd put up with any of the crap this school could throw at her as long as she was able to keep her freedom from her old `home'.

Preview of Last Chapter: She huffed as she followed the Higurashi girl to their next class, hopefully it would be better than the first, but hey, anything's better than staying with her family, she'd put up with any of the crap this school could throw at her as long as she was able to keep her freedom from her old `home'.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

Kagura groaned as they walked to the gymnasium, she hated gym, she hated the gym uniforms, but most of all she hated having to wear the gym uniform. The gym uniform this school issued for the girls was the traditional buruma and t-shirt (see bottom of page for full explanation).

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She left the locker room her new `friend' tagging along explaining things as they walked further out and onto the track. "Sports for one reason or another are a big part of our school; I'm on the archery club. We also have a kendo club, track, cross country, tennis, basketball, baseball, and volleyball. Were you thinking of joining in any extracurricular activities?" Kagome gave a questioning look.

“No.” Kagura answered point blankly.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Oh, well anyway,” Kagome continued to point out the athletes in the gym, most of them were most likely her friends or at least people she knew well from the way her voice indicated when speaking about them, “That’s Hogosha Sango she’s the vice captain of our volleyball team.” She pointed to a girl with long dark brown hair and chocolate eyes she next indicated to a boy with silver hair, “That’s Koeda Inuyasha; he’s my boyfriend and the captain of the kendo club. The one with the dark blue eyes next to Sango is Samba Miroku; he is on the tennis team I think he made it to varsity this year.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Kagura sighed, she really didn’t care about all this, she sort of had to wonder where the teacher was, he or she was at least fifteen minutes late by now.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“That’s Isamashii Kouga,” Kagura looked up to see a boy with bright blue eyes and long dark hair done up in a high ponytail, “He’s on both the track team and the cross country club they say he’s the fastest in the school. Over there is Koeda Sesshoumaru, he’s Inuyasha’s older brother and the gym teacher. He’s pretty new and doesn’t talk much, but when he does it isn’t usually anything nice.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

The day dragged on and it seemed endless, that annoying Higurashi girl wouldn't leave her alone and even made her eat lunch with her. Honestly, she was glad the day was over. After going back to her apartment and changing for work Kagura headed down the street to her part time job. A bar waitress. Not a safe place but hey the drunks tip well.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"I'll take a quick frack." That had to be the fourth billionth time some drunk man had made that joke...Sure it was a drink and one they sold, but did they have to give sly looks and chuckles when she said `coming right up'? How annoying.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

She walked behind the counter and gave the list to the barkeep before leaving to greet a new customer, "Hello and how may I help you." She was just glad her boss never made her smile while greeting and taking orders.

"frack Me Hard" That too was a drink they served and that too was a joke she often got. Her eye brow twitched slightly before widening at the face of the man. "Huh...aren't you that new girl...Shinesaina Kagura or something like that..."

Kagura quickly clocked out and followed Kouga out the bar doors. It was about three blocks away but according to Mr. "I know everything about alcohol" the place served the best cocktails and had fairly good food as well.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

So, there they were waiting at the table at looking through the menu; or at least Kagura was, it seemed like "Wolf Boy", as called by his peers probably due to his speed, attitude and fondness for wolves, had been to this restaurant plenty of times to already know what he wanted without even glancing at the menu.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Good God...Why is it that these all have such provocative names?” Kagura's red eyes blinked as she looked through the possible drinks, “Screaming Orgasm, Sex on the Rag, my God...Who the hell came up with this one?! Sex on the Beach with A Southern Californian Blonde.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

The time went by and the two spoke of school and Kouga went on about his rivalry with Inuyasha and his knowledge of drinks. Kagura didn't much care, but she listened nonetheless throwing in a witty comment or shot some sarcasm into the conversation.

Kagura gasped and grabbed him quickly one arm around his waist and the other trying to keep him from falling by holding his arm. "Aw, damnit all!"

Kagura struggled to get the drunken boy to his feet, he smelled like a drunk, he looked like a drunk, hell he was a drunk and eventually she gave up dropping him on the side walk. She began to rummage through his clothing looking for any sort of ID that may tell her where he lived. "Damn Kouga and his damn Flaming Dr. Pepper....Damnit! Where the hell does he keep his wallet!?"

"Yo, Kagura, what's up? I figured you'd be home by now." A young man who looked around his twenties walked up to the red eyed girl. He had light brown eyes that seemed nearly golden and jet black hair that curled slightly at the ends right above his shoulders.

The two walked back towards Kagura's apartment, Soichiro carrying the passed out Kouga piggy back.

“Can't believe he doesn't have any sort of ID on him...”
