1 - Pebblekits meet with Icestar

my sixth moon

My sixth moon

My sixth moon Pebblekit ran, her paws keeping the rythm. *SIXTH* She stopped at the edge of her leaders den. "IceStar!" she called. "IceStar!" A silvery-gray tom slipped out from the den. "Icestar I need to talk with you." she meowed. She saw the icy colored tom chuckle. "Very well, then, come in." he meowed. Pebblekit slid in, after her leader. "What do you need?" Icestar asked. "Six." she meowed. "What?" Icestar meowed. "My sixth moon..." she replied. "Oh, yes, what about it?" he asked. She knew her sister Amberkit would be disappointed about what she was going to say. "W-w-well, I wanna b-be a medicine cat..." she meowed. Icestars eyes grew wide. "are you sure?" he asked. "medicine cats can't have kits... or mates... and they don't fight in battles..." he meowed. Pebblekits ears went back. "I don't care." she meowed. "who wants to make a friend out of a tom anyways?" she meowed. Icestar chuckled and said, "well, talk to Cloudheart, see what she says." he meowed. "Okay..." Pebblekit meowed.
