1 - Pumpkin

Pumpkin

Your life seems so easy, without a care
But since I know it's impossible to bear
I kinda feel sorry for you to be here
yet I'm glad that at least you are near.

I might just be wrong, but what I see
Are wings, that enable you to flee.
Legs and feet that allow you to run
Because some things cannot be undone.

2 - Five Wooden Carvings

Five Wooden Carvings

Five wooden carvings
each holding a sign
each telling a story
of spirits from the past.

Those who listen, might understand.
Those who understand, might be set free.
Those who are free, might become one.

Five wooden carvings
each holding a sign
each telling a story
a brilliant story,
of spirits from the past.

3 - Minty River

The Minty River

The minty river
inside my brain
it's whistling rapids
drive me insane.

The minty river
inside my head
drains all my thoughts
leaving me soaking wet.

The minty river
that doesn't exist
took my soul to be lost
in the same minty mist.

4 - a longlasting night

A Longlasting Night

Another twelve hours of daylight are gone,
were ended, today, by the setting of the sun.
There must have been something that "they" should have done.
Because, otherwise, the daylight would have won.
