Blitz- I m ok with the whole camping idea. But why can t we go when the suns not out?

Roxy- because it s-

Kiki- Cause the sun s pretty ^^

Roxy- um, yeah, but that s not the reason we can t-

Kiki- BUT DON T EVER STARE AT IT!! This one time I saw this guy staring at the sun and, yeah he s blind now! ^^

Roxy- anyway, we re going in the morning because it s safer.

Blitz- Really? How so?

Roxy- Because then we can see to set up our tents and so we can see the hiking path and other crap like that! (mostly hiking) Also if we went at night raccoons would eat our food! (ty&. Ty: What?!)

Wormwood- oh, also at night like roxy said we wouldn t get our tents up then we would like have to sleep on the ground and then when we re asleep bugs would crawl in our brains and lay eggs in it and then later they would hatch and eat you brain!!

Kiki- I don t feel like going camping anymore *scared *

Roxy- Wormwood, why the hell are you going on this trip anyway? You can t spend 2 hours without coffee!

Wormwood- God Roxy! I m not stupid!! I brought coffee with me! See I Brought two bags one with coffee the other a battery operated coffee machine and I emptied Blitz s Bag and filled it with batteries and I-

Blitz- YOU DID WHAT?!?!?

Wormwood- Hey, it s not nice to interrupt people when they re talking!

Kiki- YEAH BLITZ!!!

Wormwood- and so I also emptied the emergency supplies bag and filled it with coffee and my teddy bear pillow! (who smells like coffee)

Blitz- you emptied the emergency supplies?!

Wormwood- Yeah, you wouldn't believe how many band-aids were in there!

Kiki- what if there is an emergency!

Wormwood- I guess we'll have coffee and talk about it and ect.

Roxy- hey, wait a second, You have a teddy bear?! (that smells like coffee)

Wormwood- yep, pillow.

Roxy- yeah, that's weird.

Wormwood- you should hear how he got his name. ;)

>12:45 (at night) Kiki, Wormwood, Blitz, and Roxy out by the fire>

Blitz- DAMN IT!! This is the time I should be getting up not the time I should be going to bed! Now I'm going to be up in the middle of the evening tomorrow!!

Roxy- God blitz, stop doging!

Blitz- no.

Wormwood- (walks out of his tent) Ok, I officially sprayed the inside of this tent 9 times for bugs with this very poisonous bug spray! You know just incase.

Roxy- You know that s poison ness to people too.

Wormwood- Really?! shoot!!

Blitz- T.T

Roxy- don t worry Blitz, he only thinks it s bug spray when actally it s hair spray.

Blitz- Damn it!! Now my hair s going to be hard to comb!

Wormwood- well, now that I don t have to worry about the bugs anymore I ll see you all tomorrow! *goes in tent *

Kiki- me too (goes in tent)

Roxy- Hey, is there any marshmallows left?

Blitz- no, only coffee.

Roxy- Then there s no reason to live!

Blitz- well before you go and kill yourself make yourself useful and go get some wood for the fire.

Roxy- fine. (leaves)

< 2:15 am >

Roxy- well before you kill yourself go get some firewood!! And just what I get for listen to that cat! Now I m lost in these stupid woods! And when I get back I swear I will- * trips * ow, what did I&I oh my god!

Krisis- hey I m not the one who s lost in the woods!

Roxy- hey I m not the one who followed the one who s lost in the woods!! Why were you following me anyway?!

Krisis- I thought you knew where that one freak show was&

Roxy- Freak show? You re an idiot! Why in the name of common sense would they have a freak show in the middle of the woods?!! Huh? Why that would be the most stupidest, dumbest idea I have ever-

Then suddenly carnival music and and lights light up behind them-

Roxy- O.o ?!?!

Roxy- um, sorry I don t have any money to get in.

Ringmaster- You speak nonsense! No need for money! Why should our performers need money just to show off there talents? Well, what are you waiting for?! Come in, come in!

Roxy- wait a second, how did this whole thing get in the middle of the-

Krisis- stop asking questions! Come on! *pulls roxy inside the gate *

Roxy- Hey let go of me!
