1 - In The Beginning

Chapter 1

The Adventure(s) Begin

It was a normal day like any other. The skies were clear, birds were chirping, and the flowers were in bloom. What I'm trying to say is wouldn't it be a great day for a chase, to make sure the love of your life doesn't get away **OR** in Sonics case making sure he runs away from his so-called love of his life.

Almost everyday Sonic and Amy would have a little chase, but today was a little different. Amy has gone missing, and Sonic doesn't even know that yet.

Meanwhile on Angel Island we come across a very familiar Echidna and his name is Knuckles. Knuckles the Echidna has been on Angel Island protecting the Master Emerald for as long as he could remember. His adventure starts when he felt a sudden change on the island.

“Hmmm,” Knuckles thought to himself “Something doesn't feel right.”

Knuckles ran to the alter where the Master Emerald was kept

“WHAT!? OH NO!?” Knuckles shouted **“THE MASTER EMERALD!!!!”**

As soon as Knuckles got there the Master Emerald was missing.

In his workshop in the Mystic Ruins, Tails had just finished his latest project. Well he was working on the X-Tornado.

"I wonder if I can use the chaos emerald to help boost the performance of the X-Tornado" Tails said

Tails rushed off to get the chaos emerald. When Tails brought the chaos emerald to the plane guess who busted down the door. It was none other than Shadow the Hedgehog. Before Tails could say anything Shadow was in and out of there with the chaos emerald.

"I can't believe that just happened!" Tails yelled "Now what am I going to do"

Just then "Ring, ring, ring." The Chaotix Detective Agency phone started to ring.

"Hello Chaotix Detective Agency, where you get what you need" announced Charmy

"Give me the phone Charmy." Vector said "Hello?"

"Hi" said a familiar voice " You know who this is. Listen I need you guys to come to my house we need to discuss something important."

"Ok we'll be there" Vector assumed

"Good." The voice said

"Who was it?" Espio asked

"You know." Vector replied

“ Oh, what does she want? Espio asked

“She said that she needed to talk to us.” Victor said

For Rouge the Bat, everyday is a normal day you know: Help the Government, chill out, and go treasure hunting. Well . . . today was different.

Rouge was assigned to stop a jewelry robbery. Knowing Rouge she must have gotten sidetracked by the jewels. So she went back to the president's office.

Christopher Thorndyke is your normal everyday kid. Unless your Dad is the business tycoon Nelson Thorndyke, and you're Mom is the famous movie star Lindsey Thorndyke. Plus his world flipped upside down when Sonic and his friends showed up. (Well what I'm trying to say is Chris will be in the story.)

To spare you the drama of figuring out who was on the other line. I'll tell you. The names of the people are Sonia the Hedgehog, Manic the Hedgehog, Twilight the Echidna and Kylie the Bat

After hanging up the phone Twilight turned to Sonia, Manic, and Kylie.

“ So did you ask, what did they say, when are they coming?” Sonia questioned

“ Yes, they're coming, and I don't know when.” Twilight replied answering Sonia's questions in order.

“ Chill out sis.” Manic said, “They'll come.”

“Besides it will take them quite a while till' they find him anyway.” Kylie smirked at Sonia

“ Well sorry.” Sonia snapped at Kylie“ I'm just excited.”

“ Clearly you can tell that I want you to stop being so excited.” Kylie snapped right back

“Hey hey stop it!” Twilight yelled

“You two always fight when someone's happy.” Manic yelled

“Sorry.” Sonia and Kylie apologized

“It doesn't matter” Twilight said

Meanwhile Jade being the suspicious bat she is started looking up her family history. When she was 2 and a half her parents died in a car crash when they were coming home from a Circus. She was left in an orphanage and was adopted when she was 6. She was extremely smart and could do a University Students homework as a matter of fact she graduated out of University when she was 8 and got a record deal at the age of 12 since she was a phenomenal singer. She's 16 now and has realized she has a brother named Naoto, and she's out to go find him with the help of Crimson, Krystal and Danielle.

2 - A Band Reunion

Chapter 2

A Band Reunion

Jade went in search for her brother unaware of what he looked like all she knew was that he used to work for the police. So she went to the Police Station. She pushed open the door of the police station and looked around. Everybody stopped once she walked in. They all started staring at her and whispering things. The Chief of the Police came up behind her and asked.

“ Can I help you little missy?” He asked

“ Uh, ya do you know Naoto the Bat?” She asked

He starred at silver- haired bat and replied

“ Yes, yes we do, as a matter of fact we all do.”

“Do you have a picture of him or something I could use” Jade enquired

“Actually yes we do.” He said

“ May I borrow it?” Jade asked

“ Why do you ask?” He questioned her

“ Because he's my brother.” She said

All of the police officers all gasped at her remark.

“ Well by all mean you can have a picture of him.” He said

He gave her a photo of Naoto. Jade thanked him and was on her way. On her way out of the Police Station she wasn't paying attention to where she was going and walked into a few people who seemed quite familiar

“ Jade is that you.” Someone said

“ Trixie, Dixie, Roddy, Phoenix I that you?” She asked

“Sure is.” Roddy Replied

“ OMG HOW LONG HAS IT BEEN!!!!!!” Jade Screamed

“Really long.” Trixie said

“We've been looking for you for a long time Josephina” Dixie said

“Shut up don't call me that.” Jade said

They all walked to Jade house and a start to Jade's old band . . .

“The Band”

3 - Amy's Gone

Chapter 3

Amy's Gone

"Hmmm." Sonic thought, "Something's different."

While he was thinking about that he started to run. About 3-4 minutes later . . .

". . . Hey wait a minute." Sonic said, "Where's Amy!"

As soon as Sonic said that Dr. Eggman's little explosive messenger Bokkun.

"Ha ha ha ha." Bokkun chuckled

"What do you want?" Sonic asked

"Well Dr. Eggman wanted me to show you this." Bokkun said

Bokkun pulled out the little TV he carries around. Then Dr. Eggman's face showed up

"Hello Sonic," Eggman said, "If you haven't noticed, I have Amy Rose . . . but just not Amy I have

Cream too. Now if you want to see both of them alive you must bring me all the Chaos Emeralds.”

“ You heard the man find those Chaos Emeralds!” Bokkun shouted

Bokkun flew off while Sonic stood there puzzled.

“Okay Sonic think how am I going to get my self out of this one.” Sonic said, “ I know I'll get Tails and Knuckles to help.”

So Sonic went off to Tails' workshop. When he got there he started to explain: the situation, Amy and Creams disappearance, and how Dr. Eggman wants all of the Chaos Emeralds.

“Well he already has one Sonic.” Tails said

“What do you mean?” Sonic asked

“Earlier today I was experimenting with the X-Tornado, and when I went to go get the Chaos Emerald that I found.” Tails clarified,” I was brining the Chaos Emerald to the X-Tornado. Then some one busted down the door.”

“Did you see who it was?” Sonic asked

“I think that it was Shadow.” Tails replied

“Well anyway we'll have to get started.” Sonic stated, “Come let's go!!!
