0 - Don't Go

Don't Go

Have you ever bled inside?
Or had to betray a friend?
To feel like you've just died,
And know this could be the end,
Is something no one should feel.
You should always know,
That love is real,
That it will never go.
But there's always someone,
That makes you believe,
Your life is done,
That you should just leave.
Promises mean everything,
But when they're broken,
Sorry means nothing.
And you know then,
That sometimes you just have to smile,
Pretend everything's okay,
Hold back the tears,
And just walk away.
In the end you know that the truth is,
Everyone is going to hurt you,
And you have to decide,
Who's worth the pain.
And know the the worst part is,
You knew this would happen.
This could all happen,
You'll hold a gun to your head,
And say, "My life will end."
Don't let go of life,
There are still people that love you,
Don't go, don't die,
I need you in my life.
