I wrote this song for my friend, Kelly. She's trying to get over a guy and I wrote this to try and help her do it.

Chapter 1 - Kelly's Song

1 - Kelly's Song

Here I am.
Wait a second,
That's a mistake.
It should be "there I was".
I remember,
I loved you,
But you just pushed me away.

But now I've had some time,
To think.

Chorus:
You used to take my breath away.
And when I looked at you,
There was a smile on my face.
But I've learned to hate you,
And I hope it stays,
Like that.

I've always been a friend,
I've always been kind.
When I'm with these strange people,
I call my friends,
Well, we just have,
The greatest time.
Sometimes I think we've lost our minds.

And it's all because,
I had some time,
To think.

(Chorus)

Bridge:
Don't come back,
You already had your chance.
So sorry to say that you missed it.
Without you,
I'm having the time of my life.

Goodbye (7x)

Oh, I'm having the time of my life.
