Chapter 1 - Bridgit's Song

1 - Bridgit's Song

Oh, not again,
Looks like I'm lost again.
I'm so sick,
Of being here.
It makes me feel,
Worthless, hopeless, lost.

Chorus:

But at least I've got my friends.
I know I love them.
And I dread the day when,
They get up and walk right out of my life.

It's a scary world,
I need someone to love,
Someone to hold,
Someone that will guide me through my life.
But it frightens me to ask him.
My life's so complicated,
Need someone to compensate it.

(Chorus)

Bridge:

I might be here forever,
But I don't want to live that long.
I just want to live as long as this song.
And, hey, I could be living on the streets,
Begging for just a few coins.
But then again,
I might be rich and on top,
Living like royalty.
Focus on loyalty,
Hope I can make something good of the reality.
But still,
I'm so scared.

(Chorus)

Live for love,
Live to grow,
Live for hope.

Look between the lines,
Listen to the rhymes,
The scariest but greatest times.
