The title says it all, but I'll explain, I threatened to throw Seto in to a pit of Barbie's that are alive, and take over his company, if he didn't answer what ever people ask him, so ask away! ^_____^

PuffBubble: So what would you like to ask Seto Kaiba?

Seto: I hate you.

PuffBubble: I know you do! You see I'm going to through him in to a pit of Barbie's that are alive and steal his company, If he doesn't do what I want! I love having this control! ^_^

Seto: I have to answer what ever you ask.

PuffBubble: And the way you ask is you comment with a question and Seto here will answer you! ^-^ Well ask away! ^-^
