Chapter 1 - My Heaven

2

1 - My Heaven

I return to me Heaven,
Where i dont live the lie.
I cry on the inside,
But stand stronge as a wall.

You're calling my name, but I dont hear a thing.
You touch my shoulder, but I'm as numb as can be.
You look into my eyes, but I pretend I'm not here.

Give me deliverance,
Let me start anew.
They see me as nothing else,
They tare at my heart and soul,
I feel weak and shredded through and through.
Is it time to give into my pain?

I run back to the the dark corner of my mind,
The place i call me Heaven, my home.
I'll take you there,
Close your eyes, just follow my voice...
