**Chapter 1 - Waistland**

**2**

# 1 - Waistland

See the light as it shines appon the waistland,  
Bring the powner to save us all.  
The light that glows from within your hand,  
The fire that burns from within our soul.

Darkness overcome thy heart,  
Darkness overcome thy gaze,  
I hear the end is near,  
This land become our grave.

Give into the pain,  
Give into the hate,  
Give into the power that shines from within.  
No one can change it,  
The future is decided,  
We'll all be closer once our blood runs cold.

Maybe I'm being extreme,  
But I've seen too much.  
Death be our savior,  
To the moon that shines appon the waistland...
