Chapter 1 - C'mon Lets Go

2

1 - C'mon Lets Go

fade into my hand the darkness of yesterday,
give up the negativity of this world
open your eyes and see the dawn of a new tomorrow

c'mon lets go
to the party down in Mexico
to Hawaii where the waves flow
give it up, go out and live
thats all that keeps us from letting go

watching the news, you see the towers fall
watch as a bus gets blown appart
watch as the blood falls as rain

c'mon lets go
to the Cherry Blossom Festival
to Australia to here the didgeridoo call
let your thoughts erase, let your mind run free
keep yourself from going insane

Boy, your here now, so just let loose
give into the sound of two happy hearts
you dont want to hear me, fine
kiss me, and shut me up...
