I Want You!

What I have to say is straight from the heart,
You may not have known it yet,
But I have loved you from the start,
from the moment our eyes first met.
I wanted to get to know you.
Please believe everything I say,
These feelings are so true,
I hope you feel the same way.
It's time to make it official,
Let's be together.
I don't know how far we'll go,
But I hope it lasts forever.
