TWO AS ONE

*If I close my eyes, I think I'll lose you...
So I never want to shut my eyes...
I always want to be able to see your face.*

*It's our love...
That keeps me alive...
Each and everyday...
Without it I'm lost.*

*I'll be ending back in the same place...
Where I was going in the first place...
It's like I never should have gone out with you.*

*You can't save me...
You can't change me...
I'm waiting for a wake up call...
And everything's my fault...*

*I went to Heaven and I couldn't get in...
For the things I've done...
Once again I'm all alone...
Standing here with nothing to live for...*

*You have and can...
Change me...
My wake up call is you...
Every morning...*

*I love to see your beautiful face...
I look forward to seeing you It's the only thing...
You're the only one for me...
Let's change the world together...*
