**Chapter 1 - You said yes**

**2**

# 1 - You said yes

You said yes

Dib carefully made his way to Zim in the lunchroom. Zim didn't notice him until he dropped a piece of paper on his tray and quickly left. Zim looked at it. It was a poem:

When we were enemies I asked if you hated me

You said yes

When we were allies I asked if you would trust me

You said yes

When we were friends I asked if you like me

You said yes

When we were here at the creek I asked if you loved me

You said yes

That's how I remember our first kiss.....

I love you, Zim

After lunch was over Dib sat down at his desk and saw his poem. He looked over at a smirking Zim. Dib read it over and saw another one from Zim:

I never really hated you

It was all a lie to get through

You always interest me

In more ways than you can see

I fell in love with you

before there was anything I could do

So now...

Dib,I love you too

Dib looked over at Zim and smiled.Zim smiled back.This was the beging of a very beautiful relationship.
