Well, this is just a little poem I made for my love as a Christmas present. Yeah. I know it's not too good, but give me a break. It's my first time. ^;

0 - My Love

The butterflies in my stomach flutter when you come around
My heart starts to pound
A smile touches my lips everytime I hear your voice
I can barely speak. Let alone, make a noise

Your arms hold me close all through the night
Assuring me that your protection is there
Your comforting words sooth me
And won't let me shed a tear

My love for you, Aaron, is unconditional and so very pure
I'll never leave you. Not now. Not ever
You have my heart from now until forever
That, I am for sure
