Chapter 1 - Mirror

1 - Mirror

Mirror

What do you see when you look in the mirror?

A face with an emotion?

Or an emotion with a face?

Are you happy?

Are you strong?

Are you smiling?

Are you wrong?

No one can really tell what they see

Are you looking at you?

Am I looking at me?

If your smiling,

How long will it last?

Are you true?

Or Are you masked?

With so many questions,

You stare in wonder.

Waiting for a minute

Hoping to answer.

And then you notice...

Your not even smiling

Your holding your head down low....

....down low crying

They say the mirror can answer everything

But why listen when you can't even hear?

This all leaves one more question....

Are YOU looking in the mirror?
