# 1 - Catch Up (Embodiment of a Dream)

Catch Up (Embodiment of a Dream)

Swinging by to pick up gear  
Stopping here to set it up  
We are were your future begins  
And mine is left behind

What I've always wanted,  
You are  
Encouragement only goes so far  
When you're lying,  
Pathetically to me about strength,  
And knowledge comes with time,  
And helpful teaching

Trace the steps to see my progress,  
Not much has happened since then  
You've trailed off to a light that shines a light green  
Bringing entertainment in every form

Discipleship was in the question,  
But of course there was no time,  
Choosing those who need not be taught  
Over those who want it more
