This poem doesn't rhyme...but not all poems have to rhyme...right?...right? I wrote it! ^_^

Chapter 1 - You ditched me!

2

1 - You ditched me!

We never talk anymore,
Has time split us apart?
You tell me you don't hate me
But I know you do at heart...

I see you walk down the hall
With her,
Your new friend
You ditched all of your other friends
How could you do this?

You can hang out with more than one person...
I'm not jealous,
No you've got it all wrong
I'm just mad because you ditched me for no reason...

We never talk anymore,
Has time split us apart?
You say you don't hate me,
But I know you do at heart...
