1 - Spring Break

It was 5 more minutes till spring break. Sango and her friends Kikyo, Ayame, Miroku, Kouga and Inuyasha were in the most boring class ever .HISTORY!! Sango was deep in thought ."I wonder what I should do for spring break". She was quickly pulled back to reality when she heard the bell ring and the class go crazy.Sango made her way to her locker when she was stoped by a herd of students pushing and shoving to get out of school (a.k.a the hell hole).She finally made it to her locker when she heard somebdy call her name. "hey Sango wait up". Sango turned around to se kikyo. "hey". I replied hapily. "Are you happy it is finally spring break" She asked? Equally as happy as I was. "ya I thought it would never come". I said. "Do you want to spend spring break together"? she asked. "Sure". I replied. They went to meet up with the rest of their friends. When they finally got outside they saw their friends waving at them. "Hey". Kikyo and Sango said in unision. "She agreed to spend the break with us". kikyo told everybody. "Great"! Said a happy Ayame. "So where egsactly are we going"? Sango questioned her friends. "Inuyasha will tell you". Ayame replied quickly. "WHAT!! Why me"?! Inuyasha asked angrily. "Cause it was your idea". she replied " Fine. We decided that....

2 - Packing

"we would go camping in the middle of an unknown forest. Me and Kouga found it yesterday," he told her quietly. "WHAT!!!" Sango screamed at the top of her lungs. "Why!" She asked a bit calmly but she was still very angry. "Because we need a little adventure in our lives plus we all think it's cool." Ayame said trying to persuade her. "Well since you put it that way...okay." Sango said happily. When Sango got home she packed her stuff and told her parents where she was going. "Mom. Dad. I'm going to spend the summer break camping with my friends." She said confidently. "Okay, but the rest of us will be in Hawaii." Sango's mom teased. "Fine." she said and went to her room to continue packing. When she finished packing she turned on her computer went to google and checked the place out. "Cool. It was a park during 1887, but they tore it down in 1997." she read aloud. "I wonder why?" She thought. Before she could read on her mother called her. "Sango!" "ya!" She called back. "Come down here! I need to talk to you!" Sango's mother called back. "Coming!" Sango called and went downstairs. "Ya?" "Sango I want you to take your stuff and go stay at Inuyasha's house." Sango's mother commanded. "What! Why?" Sango argued. "Because we are leaving tonight and I don't want you alone." Her mom said. "Fine." Sango gave up on the argument because she knew she would lose it. She said bye to her family and made her way to Inuyasha's house. Inuyasha's mom gave her a room to sleep in. "Thanks Mrs Tashio." Sango said politely while putting her suitcase in the room. "No problem" she said and left. "I can't wait for tomorrow." Sango thought as she fell asleep.
