1 - poem

My rival, my enemy, my pain;

My heart fills up with hatred;

When I feel your presents;

When I hear your voice;

When I see your face.

Your everything that I hate;

Everything that I don't want to be;

I know you feel this for me too;

We're bitter with each other;

That's not even the start.

You push me to my limit;

I do the same to you;

Fighting to prove who has the power;

Who's better, who's stronger;

Scared, bruised and hurting but no stopping.

Then one battle that we both wanted;

At night we practised without each other knowing;

Wanting to be the best, wanting to be the best;

Attacks after attacks, left and right;

One hit, growing dark, as we say I love you...
