Chapter 1 - Break the Silence

1 - Break the Silence

Break the silence, My Love.
Because it's breaking me.
Break my heart, My Love,
Because you're killing me.

Break the silence, My Love,
Because you're all I see.
Break the story,
Because there's no happy ending for me.

Break death
And tear me apart.
Because you can see inside my head
And I feel so in the dark.

Break the love that held me together.
Break the smile that fixes me.
Break the laughter that follows my tears.
Just break the silence.

Toxic, Fever, Love, Forever.
Sorrow, Smiles, Tears, Fall down.
Breaking, Seeking, Death is nearing.
Taken, Stolen, Fell from grace.

Just break me.
Just break my heart.
Just break my emotions.
Just break, so I can fall apart!

Just break this feeling.
Just break this connection.
Just break your mind.
Just break all the tension that follows me inside!

Just break the silence.
