**Chapter 1 - I Am**

**2**

# 1 - I Am

I AM...

I am the girl who always says, "Hi".

I am the girl who is screaming inside.

I am the girl who wants to succeed.

I am the girl fallen to her knees.

I am the girl with her head up high.

I am the girl who thought she would die.

I am the girl who wants your attention.

I am the girl who wants you to listen.

I am the girl who miss him, but lies.

I am the girl who wants to cry.

I am the girl that I want him to think about.

I am the girl who still knows doubt.

I am the girl who calls him name.

I am the girl, but not the same.

I am the girl who wants to be happy.

But I am the girl who always feels crappy.

I am the girl who loves him.

I am the girl whose world feels dim.

I am the girl who is overpowered with guilt.

I am the girl who isn't ever felt.

I am the girl that wishes she were grown.

I am the girl that you wish you hadn't ever known.

I am the girl who still waits.

I am the girl that was just *too late*.
