**Chapter 1 - I'm Not Me**

# 1 - I'm Not Me

Your body language is telling me you have a question.

You're boring me, trying to hold it in.

Do you expect me to make the move?

Save the day; not again.

Welcome to the story.

It's all new to me.

What am I writing?

You fill all the pages.

Up comes a hurricane.

You're words are all the same;

Now here, screaming, is the rain.

Now, really whose to blame?

I'll smile when you here;

The same for when you're gone.

Cause when the storm comes rolling in,

I'll still be hanging on.

Music captivates my explaining lyrics,

Why I love you.

Taking all the chances that are offered,

What's a girl to do?

When I go sailing;

The water really gets rough.

But, Baby, I know you're out there.

So, I get really tough.

Hold me, Baby;

Don't let go.

I fighting with a double-edged sword.

Believing your every word.

It's a drive by in the rain.

All are victims by the pain.

See them tumble, see them sway.

Baby, Baby, don't watch me fade.

Screams down the alley.

Hear me toss and turn.

Nightmares play by thunder.

Lighting helps me learn.
