**Chapter 2 - World.**

**2**

## 2 - World.

If I love you would you love me back? If I hate you would you hate me too?

If I hugged you, would you hug me back?

If I kissed you would you kiss me too?

If I would give up my life for you, would you do the same for me?

If I walk half way around the world just to say these three words "I love you." Would you say you love me too?

Would you say those three words back to me?
