This little song I wrote up is not all it seems and has a strange ending. -_- All this really means is....I have a rather disturbing imagination.

Chapter 1 - I'm Sorry

2

1 - I'm Sorry

I'm sorry

I made this song to say I'm sorry

I'm singing it now to apologize

For saying things to you....

That weren't very nice

I'm sorry I threw a pie in your face

I'm sorry I called you a big disgrace

I'm sorry I made you miss your math test

And I'm sorry I said your hair was a rat's nest

I didn't mean to tear your dress

Or make your room such a mess

I couldn't help that the horse thought your hair was hay

Or that you got food poisoning last May

That car crash last week was not my fault

I didn't unscrew the lid to the salt

I never meant to make you cry

When I found out that shampoo was hair dye

I couldn't help that that you misread

The label on your pet's food

So sorry he's dead

I don't know why your brakes didn't work

Or why that truck driver was such a jerk

I am so sorry it all did happen

I'm sorry you crashed in the middle of Japan...

I didn't mean to make you cry

When I started dating your guy...

Also I'm sorry...

This is all a lie.

Sheesh, I thought you'd NEVER die.

A/N: Yes, I am a disturbed little girl....aren't I?
