# 1 - End my life

## End My Life

**My sky is red with blood  
from this endless flowing flood  
with all this death and sorrow  
I won't be here tomorrow  
I no longer need to live  
I have given all i can give  
And all has ended bad  
I will be forever sad  
with all this pain inside  
which I know I cannot hide  
I no longer can stand strife  
I wish you'd end my life**
