1 - I am...

I am like a book my personality can not be seen by my cover. I'm like the weather not so predictable. I'm like a cartoon very imaginative. I'm like the night sky, dark and mysterious. I'm like a red mable in a bag of blues, the odd one. I am insanity a quirky little creatur, my emotions vary. I may appear to be childish adn naive, but have a tendency to freak out. I'm incredibly random. I'm like a radio, talkative and play music to calm those around. I am a poet, observant, rebellious, disobedient, adventurous, and open-minded. I am an ocean, calm and soothing but on occasions become wild. I am the forest, full of life.
