1 - Stop Breathing

Stop Breathing

Drip drop go my tears on the window sill

in time to the pouring rain

that is still

beating on the outside window pane

ice charges through my veins

to my heart and back again

until all i feel is pain

and as my eyes begin to fade to gray

i know that it is my last day,

and as my skin goes chalky and pale

each breath i take is raspy and stail

the blood freezes beneath my skin

and now i know that life"s a sin,

lay to rest my soul

my heart stops beating

and make me whole

as i stop breathing.

i changed it a little. whaddaya think? tellme tellme telleme!!!!!!
