*I wrote this song as part of an assignment for my english class. I had to write my own eulagy and I finished it off with this song. When I'm dead, I'm awaiting my final judgement to go to Heaven. It's rather optimistic and possitive, a VERY different*

# 1 - Gates of Heaven

## Gates of Heaven

11-8-05

Golden Gates of the Gods

Here I come

My soul awaits your judgement

For heaven's entrance

And serenity forever

Heaven's Golden Gates

Captivated by the light

Of eternal peace

Mesmerized by the sight

Of Heaven's golden gates

Golden palace divine

Here I am

Let me pass through Heaven's gates

To soar through the clouds

And in peace I rest forever

Heaven's Golden Gates

Captivated by the light

Of eternal peace

Mesmerized by the sight

Of Heaven's golden gates

I'm soaring with the angels

In Heaven's clear blue skies

my spirit may finally rest

In the clouds so serene

Heaven's Golden Gates

Captivated by the light

Of eternal peace

Mesmerized by the sight

Of Heaven's golden gates
