# 1 - MY SWEET ANGEL

\*MY SWEET ANGEL\*

When I close my eyes

I see your face

From dawn til dusk I think of you

Could it be love

Baby, could it be love

Your beauty is infinite

My sweet angel

Your voice is heavenly

My sweet angel

My love is undying

My sweet angel

My sweet little angel

When I see your face

I feel so warm

From now till death

I will love you

You're my heaven

Baby, you're my angel

Your beauty is infinite

My sweet angel

Your voice is heavenly

My sweet angel

My love is undying

My sweet angel

My sweet little angel

Baby let's fly away

Soar through the heavens

For all love's eternity

Baby let's fly away

Soar through the heavens

For all love's eternity

Your beauty is infinite

My sweet angel

Your voice is heavenly

My sweet angel

My love is undying

My sweet angel

My sweet little angel

Your beauty is infinite

My sweet angel

Your voice is heavenly

My sweet angel

My love is undying

My sweet angel

My sweet little angel

Oh my sweet little lovely angel
