**Chapter 1 - Pendulum**

## 1 - Pendulum

Can you see it? My pendulum? It sways with hypnotic forces. Can you hear it? My pendulum? It clicks with a steady rhythm. Can you smell it? My pendulum? The rustic smell of blood on it's gears. Can you feel it? My pendulum? The flush of it's lustful ore. The totter of my labor? Why do you cease? My mentality smazes. Like nobody's liquid clocks. Pendulum? Where is your sonnet? The fact of being seems unnoticed. Humankind? Why do you see me different? Behold! Panscannel with uncovered eyes. We all have pendulums. Humankind! Now hear me out! We are all unchanged!
