We had to write a Shakespearean sonnet for English class. This is my first ever sonnet.

1 - Untitled

There are times when life may get hard to live.

Everybody seems to turn their back.

Never do you get but you always give.

There is that true friendship that they all lack.

Why is it that everytime you try

You are pushed down, walked over and left there?

You lock yourself in your bedroom and cry;

Isolated from the world, they don't care.

But don't give up for there is still hope.

You will find that true friend who will be there

Through the thick and the thin and help you cope.

No matter what, for you they always care.

Best friends forever is for me and you,

For we sill stick together through and through.
