## 4 - Amy's Future

### The Love Affair - Chapter 4

Last Time, Sonic and Shadow were fighting over Amy (no surprise there), and Tails came to the rescue with the invention of the Time & Space Traveler & Freeze Ray 2000, which freezes everything in time, and also travels in time too. As Amy wanted to travel to her future, what is bound to crop up? Read on to find out....

'Whew.....i really need to be prepared next time...' Tails hesitated. 'Wow....so this is my future?' Amy cried out as she looked around. 'Sure looks.....empty' She was right. The streets were empty, the stores were closed, no one was around. Was this a ghost town? The only way to find out is investigating. 'Hey, Amy! Come over here!' Tails shouted. Amy ran over to a local newspaper stand. '30,000 dead in nuclear bomb attack....local hero Sonic the Hedgehog caught wearing a.....Bikini??!' What is this? '....' Amy looked like she was about to blurt out with laughter. 'Err...Amy? are you feeling okay?' Tails just stared blankly at Amy as she was rolling on the floor laughing her head off. 'Err.....Amy?' 'Ahhhhhhhh, hahahahaha!!' Amy laughed. 'Sigh.....AMY ROSE, PLEASE WILL YOU SNAP OUT OF IT! Thankyou...' Amy just froze as the whole area was silent. 'Uhh....hello?' a voice answered from nowhere. 'Huh? who's there?' Tails hesitantly replied. 'Come on out, we won't hurt you!' A blue hedgehog, similar to Sonic, with pink outlines in his quills, came out of hiding. He was a few inches smaller than Tails, and was wearing a leather jacket, with red and black shoes. 'Hello! My name's Tails...and you are?' Tails greeted. 'Uhh...my name's Sparky....' 'That's....a nice name...anyway, what you doing around these parts? And one question, where is everyone?' 'Gone skiing.' Tails blankly stared at him. 'Right....., Where's your mother and father?' 'Oh.....my dad's racing...again, and my mum's shopping.' 'What? at a time like this?...wait, what are your parent's called?' Tails asked politely. 'Sonic and Amy..Why you ask?' Tails just stood there for a few moments as he stared blankly and fainted. 'Umm...mister? are you okay?'...'Uhhh...' 'Scuse me, mom-look-a-like, little help here?' Amy walked over. 'Hi...my name's Amy Rose..and yours..?' 'Wow! that's the same name as my mum!' 'No...so your...my son?'
