*A poem dedicated mine and many people's friend, Ashley, other wise known as Rikku Mongonei. We love you, Ashley, wherever you are... And for some reason the format turned out as crap.*

**Chapter 1 - An Ode to Ashley**

## 1 - An Ode to Ashley

An Ode to Ashley  
Though you have gone away  
Not many have lost hope  
Many of us still pray  
That very soon  
You shall return  
Because we are all too concerned  
You were our friend  
A kind and gentle soul  
This can't be the end  
Because in all of our hearts  
You've left a big hole  
And don't you know how much he cries?  
Do you know that it would shatter his heart  
If you were to die?  
And if you are leading him on  
You should know it's immoral  
To cause him such pain  
Over a little lover's quarrel  
He misses you  
Have you seen what he's wrote?  
Please return his words  
But if you don't  
Just remember he'd get hurt  
And if you have left this world  
And done what many struggle not to do  
We all pray  
That these words one day reach you  
Like a warm and friendly kiss  
To tell of how much you are missed  
Wherever you are  
Remember this one thing is true  
All of your friends  
Are here missing you  
We all love you Ashley. We hope that you come back. And if you don't, we pray you are happy wherever you are.
